

BSB51407 Diploma of Project Management

Course Description

This qualification reflects the role of individuals who are engaged to manage the work of others or to add value to or review project management practices. Their role may be in any industry or organisational setting. Typically people in these roles will have considerable experience in their respective industries or vocational areas and couple an informed perspective of the specific work requirements with their managerial approaches.

The BSB51407 Diploma of Project Management requires a sound theoretical knowledge base and managerial competencies to plan, carry out and evaluate own work and/or the work of a team.
